Ethylene, Propylene, Butadiene, Polypropylene and Polyethylene (Low Density Polyethylene)

ABOUT LYONDELLBASELL
LyondellBasell (NYSE: LYB) is one of the largest plastics, chemicals and refining companies in the world. Driven by its 13,000 employees around the globe, LyondellBasell produces materials and products that are key to advancing solutions to modern challenges like enhancing food safety through lightweight and flexible packaging, protecting the purity of water supplies through stronger and more versatile pipes, and improving the safety, comfort and fuel efficiency of many of the cars and trucks on the road. LyondellBasell sells products into approximately 100 countries and is the world’s largest licensor of polyolefin technologies. In 2018, LyondellBasell was named to Fortune magazine’s list of the “World’s Most Admired Companies.” More information about LyondellBasell can be found at www.lyondellbasell.com.
