Community Engagement

- We are committed to creating good. Through strategic philanthropic initiatives and collaborations, we strive to make a meaningful and lasting difference – for now and for generations to come.

Sustainability at Blandain

- We are delivering solutions to turn post-use plastics into everyday products.
- We are delivering solutions which advance our customers' climate ambitions and reduce CO2 emissions from our own operations.
- We are contributing to society through our community engagement, pursuit of safety, operational excellence, and a diverse, inclusive and equitable workforce.
