ABOUT THE SITE

LyondellBasell's Ludwigshafen Site is located in the BASF chemical complex adjacent to the Rhein River in Ludwigshafen, Germany. Finished products are transported by truck and packaged in drums, big bags or specialized containers.

ECONOMIC IMPACT

\$10 million

Estimate includes yearly total for goods & services purchased and employee pay and benefits, excluding raw materials purchased (basis 2016)

COMMUNITY ENGAGEMENT

LyondellBasell is committed to being a responsible, good neighbor in the communities where we operate. The Ludwigshafen Site joins the Frankfurt Site regularly in community projects such as the integration of refugees and the refurbishment of a local kindergarten.

PRINCIPAL PRODUCTS

Polyolefin catalysts

ABOUT LYONDELLBASELL

LyondellBasell (NYSE: LYB) is one of the largest plastics, chemicals and refining companies in the world. Driven by its 13,000 employees around the globe, LyondellBasell produces materials and products that are key to advancing solutions to modern challenges like enhancing food safety through lightweight and flexible packaging, protecting the purity of water supplies through stronger and more versatile pipes, and improving the safety, comfort and fuel efficiency of many of the cars and trucks on the road. LyondellBasell sells products into approximately 100 countries and is the world's largest licensor of polyolefin technologies. In 2018, LyondellBasell was named to Fortune magazine's list of the "World's Most Admired Companies." More information about LyondellBasell can be found at www.lyondellbasell.com.
