

LyondellBasell Equistar Plant, 340 Meadow Road, Edison, NJ

**Notice of Intent to Modify and Renew Title V Operating Permit and Hold Public Information Session for Title V Operating Permit Program Interest (PI) No. 18067
Title V Operating Permit Renewal Activity No. BOP180002**

NJDEP Administrative Order No. 2021-25

Notice is hereby given, pursuant to N.J.S.A. 13:1D-157 and the New Jersey Department of Environmental Protection (NJDEP) Administrative Order 2021-25 (AO 2021-25) that the LyondellBasell Equistar Facility (Equistar), Facility ID No. 21146, located at 340 Meadow Road in Edison, NJ, intends to hold a virtual Public Information Session at 6 p.m. on February 15, 2023, as part of its Title V Operating Permit renewal application process.

The LyondellBasell Equistar Facility manufactures catalysts used in the production of polypropylene plastic resins. Equistar has operated with a Title V operating permit from NJDEP since it started operations in 2006. As part of a periodic process, the site must renew its permit for the facility every five years. The renewal application was submitted on time and is currently under review with the NJDEP.

Additional information on the Equistar facility and the Title V renewal will be posted on our website at: <https://www.lyondellbasell.com/en/edison-plant> and will be provided at the information session.

Pursuant to New Jersey Department of Environmental Protection's AO 2021-25, the company is holding a public information session on Wednesday, February 15, 2023 at 6 p.m. to share more details about the facility, its Title V permit renewal, and to seek public comment. Please join us on February 15, 2023 on Zoom at this link: <http://bit.ly/3BO3i1W>.

Concurrent with this notice, Equistar will accept public comments on its Title V Operating Permit renewal for a comment period starting January 13, 2023 and ending on March 31, 2023. Comments may also be submitted by email to: EquistarEdisonFacility@lyondellbasell.com or by mail via United States Postal Service to:
