

HOW TO: LINK YOUR FITBIT

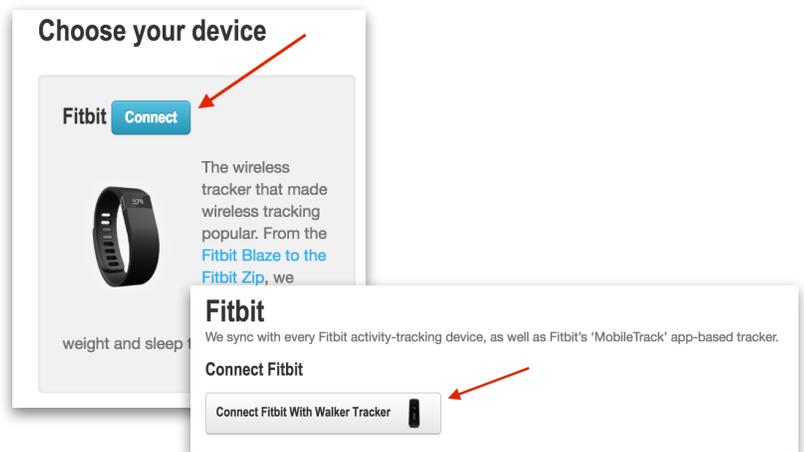

- 1) Log into your Walker Tracker account online. Click in your username in the upper right-hand corner of your account.
NOTE: At this time you will not be able to link your device through the Walker Tracker app.

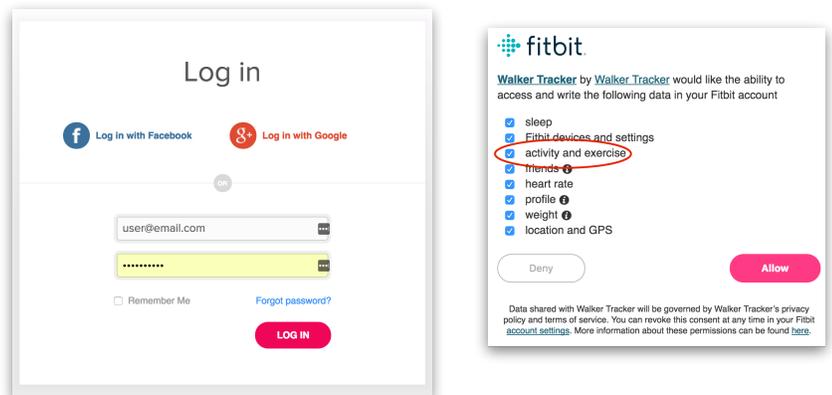

- 2) Click on the sub-heading, "Devices".

- 3) Click "Connect" next to Fitbit. Then click "Connect Fitbit with Walker Tracker".

- 4) You will be prompted to enter in the email and password that you use to sign into your Fitbit app/account. On the permissions screen make sure to leave "activity and exercise" marked so we can bring in your steps.

- 5) You will see that your device has successfully been linked. Verify that you see your device on "Your Stats" page. To retrieve your most recent steps, click "Sync Steps".
